**PUBLIC NOTICE OF ALIGNMENT AMENDMENT TO THE BRISBANE CITY
PLAN 2014 MADE UNDER THE ALIGNMENT AMENDMENT RULES AND
THE *PLANNING ACT 2016*, SECTION 293**

Notice is hereby given that on Tuesday 30 May 2017 Brisbane City Council made the Minor Amendment to *Brisbane City Plan 2014 - Planning Act 2016* alignment under the Alignment Amendment Rules and section 293 of the *Planning Act 2016* to the *Brisbane City Plan 2014* (the alignment amendment). The alignment amendment will commence on Monday 3 July 2017.

The alignment amendment has the purpose and general effect of responding to changes to decision-making rules, changes to regulated content and the application of a new template for local government planning schemes. The alignment amendment contains the following:

- wide-ranging terminology changes to replace terminology from the *Sustainable Planning Act 2009* with terminology used in the *Planning Act 2016*;
- application of the Alignment Amendment Planning Scheme Template changes including incorporation of the new mandatory zone purpose and definitions;
- required technical revisions;
- amendments to improve and clarify assessment benchmarks, including zone codes, to ensure they are sufficiently robust to permit assessment as required by the decision rules for code assessment.

A copy of the alignment amendment may be inspected at and purchased from the Brisbane City Council Library and Customer Service Centre, Level 1, North Quay Podium, Brisbane Square, 266 George Street, Brisbane. The *Brisbane City Plan 2014* can also be viewed online and downloaded at www.brisbane.qld.gov.au.
