

# Coastal Flood Study

## Volume 2 of 2

### Flood Mapping

---

Prepared by GHD for Brisbane City Council

April 2015

#### **Flood Study Report Disclaimer**

*This report has been prepared as a general reference source only and has taken all reasonable measures to ensure that the material contained in this report is as accurate as possible at the time of publication. However, the Brisbane City Council ("Council") makes no representation and gives no warranty about the accuracy, reliability, completeness or suitability for any particular purpose of the information and the user uses and relies upon the information in this report at its own sole risk and liability. Council is not liable for errors or omissions in this report. To the full extent that it is able to do so in law, the Council disclaims all liability, (including liability in negligence), for any loss, damage or costs, (including indirect and consequential loss and damage), caused by or arising from anyone using or relying on the information in this report for any purpose whatsoever.*

*Flood information and studies regarding the Brisbane City Council local government area are periodically reviewed and updated by the Council. Changes may be periodically made to the flood study information. These changes may or may not be incorporated in any new version of the flood study publication. It is the responsibility of the user to ensure that the report being referred to is the most current and that the information in such report is the most up-to-date information available.*

*This report is subject to copyright law. No part may be reproduced by any process except in accordance with the provisions of the Copyright Act 1968.*

# Appendix E – Inundation Mapping – 1% AEP

Note: Appendix E is provided as a separate A3 landscape portfolio.

- Legend**
- 0.1 m Water Level Contour
  - +— AMTD Line
  - Waterway/Waterbody
  - Stormtide Inundation Extent

**DATA INFORMATION**

The maps must be read in conjunction with the study report and interpreted by a qualified professional engineer. The maps are based on the best data available to Brisbane City Council ("Council") at the time the maps were developed. Council, and the copyright owners listed below, give no warranty in relation to the data (including accuracy, reliability, completeness, currency or suitability) presented in these maps and the user uses and relies upon the data in the maps at its own sole risk and liability. Council is not liable for errors or omissions in the maps. To the full extent that it is able to do so in law, the Council disclaims all liability (including without limitation, liability in negligence) for any loss, damage or costs (including indirect and consequential loss and damage), caused by or arising from anyone using or relying on the data contained in the maps for any purpose whatsoever.

Coastal Plan Implementation  
 Study Inundation Extent Map  
 Current 2014 Climate 1 % AEP

Prepared: GHD  
 Checked: NC  
 Revision: 0  
 Publication Date: 23 Dec 2014  
 Project Number: 4127298

- Legend**
- 0.1 m Water Level Contour
  - +— AMTD Line
  - Waterway/Waterbody
  - Stormtide Inundation Extent

**DATA INFORMATION**

The maps must be read in conjunction with the study report and interpreted by a qualified professional engineer. The maps are based on the best data available to Brisbane City Council ("Council") at the time the maps were developed. Council, and the copyright owners listed below, give no warranty in relation to the data (including accuracy, reliability, completeness, currency or suitability) presented in these maps and the user uses and relies upon the data in the maps at its own sole risk and liability. Council is not liable for errors or omissions in the maps. To the full extent that it is able to do so in law, the Council disclaims all liability (including without limitation, liability in negligence) for any loss, damage or costs (including indirect and consequential loss and damage), caused by or arising from anyone using or relying on the data contained in the maps for any purpose whatsoever.
