DIRECTORS' REPORT

30 JUNE 2021

1. Director Information

a. Meetings of directors

During the financial year, 9 meetings of directors (including committees of directors) were held.

Attendances by each director during the year were as follows:

	Directors' Meetings		Finance, Governance and Remuneration Committee	
	Number eligible to attend	Number attended	Number eligible to attend	Number attended
Sallyanne Atkinson AO	6	6	3	2
Christopher Michael Tyquin	1	1	-	-

Natasha Hood	6	6	3	3
Leanne Alva Coddington	6	6	3	2
Andrew Gutteridge	6	6	-	-

2. Operating results and review of operations for the year

a. Operating results

The consolidated results of the Consolidated Entity recorded a surplus for the year amounting to \$276,446 (2020: \$612,491).

Both the Company and the Trust recorded a positive result for the year despite the current challenges being experienced worldwide due to the Covid-19 pandemic.

The Museum re-opened 17 July 2020 following a national COVID-19 lockdown and delivered two major exhibitions that had been rescheduled from early 2020. Over the 12 months period, the Museum remained agile and responded to three further lockdowns and restrictions on audience capacity numbers. There was a focus on commissioning local artists, delivering a city-wide festival that promoted art and design and driving awareness of our program to local audiences.

Museum of Brisbane's Trust was established to receive gifts, bequests and donations. Philanthropic support has continued, enabling the further expansion of the Artist in Residence program, our Collection and to continue the maintenance program for the Easton Pearson Archive.

b. Review of operations

The Company continued to engage in its principal activity, the results of which are disclosed in the attached consolidated financial statements.

DIRECTORS' REPORT

30 JUNE 2021

2. Operating results and review of operations for the year (continued)

c Significant changes in state of affairs

On 11 March 2020, the World Health Organisation ("WHO") declared a pandemic in respect of the increasing cases of COVID-19 being recorded on a global basis. Since the WHO declaration, The Australian Commonwealth and State governments have been implementing various policy measures to respond to the pandemic, including quarantine measures and economic stimulus packages.

As the situation remains fluid (due to evolving changes in government policy and evolving business and customer reactions thereto) as at the date these financial statements are authorised for issue, the Directors of the Company considered that the financial effects of COVID-19 on the Consolidated Entity's financial statements cannot be reasonably estimated for future financial periods.

The Company's Directors and Management have performed a continuing assessment of the potential impact of COVID-19 based on the nature of the Company's operations and business model. At this stage, with the information available at the date these financial statements are authorised for issue, Management concluded that the outbreak of COVID-19 did have a material impact on the 2021 financial results of the Consolidated Entity.

Except for the above, no other matters or circumstances have arisen during the 30 June 2021 financial year that have significantly or may significantly affect the Consolidated Entity.

DIRECTORS' REPORT

30 JUNE 2021

3. Other items

a Principal activity

The principal activity of the Company during the year was operating the Museum of Brisbane. No significant change in the nature of these activities occurred during the year other than as disclosed above.

b After balance date events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

c Likely developments

The Company expects to maintain the present status and level of operations.

d Environmental issues

The Company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory of Australia.

e Dividends paid, recommended and declared

No dividends were paid or declared since the start of the financial year. No recommendation for payment of dividends has been made.

4. Indemnification

a Indemnification of Officer

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an officer of the Company.

b Indemnification of Auditor

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been an auditor of the Consolidated Entity.

c Auditor's Independence Declaration

A copy of the auditor's independence declaration under section 307C of the *Corporations Act 2001* in relation to the audit for the financial year is provided with this report.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

CORPORATE INFORMATION

Museum of Brisbane Pty Ltd ("the Company") is a company limited by shares, incorporated and domiciled in Australia and wholly owned by the Brisbane City Council (BCC). Museum of Brisbane Trust ("the Trust") was established by Brisbane City Council to promote art for the benefit of the public.

The Company acts as trustee of the Museum of Brisbane Trust and in accordance with the power in the Trust deed, the Company is deemed to have a control over the Trust.

The registered office and Principal place of business of the Company is City Hall, Level 3, 64 Adelaide Street, Brisbane QLD 4000.

OBJECTIVES OF THE COMPANY

The objectives of Museum of Brisbane are to research and present a changing program of high quality exhibitions that explore and present all that is Brisbane, to establish itself as a museum of national significance by creating rich cultural experiences that inform, educate and entertain.

IMPACT OF COVID-19

Brisbane City Council provided 6 months of rent relief for Museum of Brisbane. This credit was applied at 30 June 2021 and is reflected as other revenue within the Statement of Comprehensive Income for \$344,375.79. The Museum also received the government subsidy *Cash flow boost for employers* of \$100,000 which was recognised in the 2021 financial year.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

1(a) Basis of preparation

These general purpose financial statements are for the Company and its controlled entities (collectively, the Consolidated Entity) for the period 1 July 2020 to 30 June 2021.

They comply with the requirements of the *Corporations Act 2001* and the Australian Accounting Standards and interpretations issued by the Australia Accounting Standards Board (AASB). The Consolidated Entity is a not-for-profit entity.

These financial statements have been prepared under the historical cost convention except where stated.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

1(b) Basis of consolidation

The Company and its Controlled Entity (the Trust) together form the economic entity, which is referred to in these financial statement as the consolidated entity. The financial statements of the controlled entity is included in the consolidated financial statements where material by size or nature, from the date when control commences until the date when control ceases.

Transactions between the Company and entities controlled by the Company have been eliminated when preparing consolidated accounts. In addition, the accounting policies of controlled entities have been adjusted on consolidation where necessary, to ensure the financial report of the Consolidated Entity is prepared using accounting policies that are consistent with those of the Company.

1(c) Currency and rounding

The consolidated financial report is presented in Australian dollars and to the nearest dollar.

1(d) Comparatives

Comparative information reflects the audited 2019-20 consolidated financial statements.

1(e) Current/Non-current classification

Assets and liabilities are classified as either 'current' or 'non-current' in the Consolidated Statement of Financial Position and associated notes.

Assets are classified as 'current' where their carrying amount is expected to be realised within 12 months after the reporting date. Liabilities are classified as 'current' when they are due to be settled within 12 months after the reporting date, or the Consolidated Entity does not have an unconditional right to defer settlement to beyond 12 months after the reporting date.

All other assets and liabilities are classified as non-current.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

1(f) Authorisation of Consolidated Financial Statement for Issue

The consolidated financial statements are authorised for issue by the Directors at the date of signing the Directors' report.

1(g) Estimates and judgments

Where necessary judgments, estimates and assumptions have been used in preparing these financial statements. Those that have a significant effect, or risk of causing an adjustment to assets or liabilities relate to:

- Valuation, depreciation and impairment of property, plant and equipment (Note 6)
- Provisions (Note 9).

1(h) Adoption of New and Revised Accounting Standards

The Consolidated Entity has adopted *AASB 1059 Service Concession Arrangements: Grantors*, *AASB 2018-6 Amendments to Australian Accounting Standards - Definition of a Business* and *AASB 2018-7 Amendments to Australian Accounting Standards - Definitions of Material* effective from 1 July 2020.

AASB 1059 - *Service Concession Arrangements: Grantors* ("AASB 1059")

AASB 1059 applies to concession arrangements where the operator provides public services related to a service concession on behalf of the grantor, and manages at least some of those services under its own discretion, rather than at the discretion of the grantor. The new standard will cause a change in accounting practice as grantors move from a 'risks and rewards' approach to a 'control approach'.

As the Consolidated Entity has not and does not expect to enter into a service concession agreement, the Museum has identified no material impact from the introduction of AASB 1059.

AASB 2018-6 - *Amendments to Australian Accounting Standards - Definition of a Business* and ("AASB 2018-6")

AASB 2018-7 - *Amendments to Australian Accounting Standards - Definition of Material* ("AASB 2018-7")

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

1(h) Adoption of New and Revised Accounting Standards (continued)

To align with equivalent changes approved by the International Accounting Standards Board in October 2018, the Australian Accounting Standards Board published AASB 2018-6 and AASB 2018-7 to amend the definitions of a 'business' and 'material' in December 2018. AASB 2018-6 clarifies the definition of a 'business' to assist entities when determining whether a transaction should be accounted for as a business combination or an asset acquisition. AASB 2018-7 clarifies the definition of what is 'material' to the financial statements, including adding guidance and explanations to accompany the definition.

For the 2021 financial year, the Museum has not identified any material impacts on the financial statements from the introduction of these standards.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 2: REVENUE (continued)

Revenue is recognised at the fair value of the consideration received or receivable, at the time indicated below:

Funding

Funding received from Brisbane City Council, is not attached to performance obligations and the revenue is therefore recognised in accordance with AASB 1058 *Income of Not-for-Profit Entities* (AASB 1058) when the cash is received.

Grants

Where the grant agreement is enforceable and contains sufficiently specific performance obligations for the Consolidated Entity to transfer goods or services to a third-party on the grantor's behalf, the transaction is accounted for under AASB 15 *Revenue from Contracts with Customers*. In this case, revenue is initially deferred (as a contract liability) and recognised as or when the performance obligations are satisfied. Otherwise, the grant is accounted for under AASB 1058 *Income of Not-for-Profit Entities*, whereby revenue is recognised upon receipt of the grant funding.

Sales Revenue

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

Artwork Donations

Contributed assets above the relevant asset recognition threshold are recognised assets and revenues at their fair value on the date of acquisition.

Sponsorship

Sponsorships are recognised as revenue in the year in which the Consolidated Entity obtains control over them or receives the benefits.

Fundraising

Corporate fundraising sponsorships are recognised as revenue monthly, quarterly, bi-annually or annually within the same financial year in which the sponsorship relates to.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 2: REVENUE (continued)

Philanthropy

Revenue is recognised as the donation occurs.

Ticketing/tours

Ticketing and touring is recognised at delivery of service.

Projects

Project income relates to Council funding in respect to services provided by the Museum in relation to specific projects. Revenue is recognised when the services have been provided.

NOTE 3: EMPLOYEE BENEFITS EXPENSE

	2021	2020
	\$	\$
Employee benefits expense		
Wages and salaries	2,427,207	2,348,980

Workers compensation premium	11,075	9,015
Payroll tax	138,379	135,484
Total	3,100,797	2,988,855

Employer superannuation contributions, annual leave and long service leave are regarded as employee benefits. Payroll tax and workers compensation insurance are a consequence of employing employees, but are not counted in an employee's total remuneration package. They are not employee benefits and are recognised separately as employee related expenses.

Wages and Salaries

Wages and salaries due but unpaid at reporting date are recognised in the Consolidated Statement of Financial Position at the current salary rates. As the Consolidated Entity expects such liabilities to be wholly settled within 12 months of reporting date, the liabilities are recognised at undiscounted amounts.

Superannuation

Employer superannuation contributions are paid to employees' nominated superfund's. Contributions are expensed in the period in which they are paid or payable.

- Computer equipment	\$5,000
- Art and Collectibles	\$1

Items with a lesser value are expensed in the year of acquisition.

Acquisition of Assets

Cost is used for the initial recording of all non-current physical asset acquisitions. Cost is determined as the value given as consideration plus costs incidental to the acquisition, including all other costs incurred in getting the assets ready for use. Any training costs are expensed as incurred.

Artwork and collectibles acquired at no cost or for nominal consideration are recognised at their fair value at the date of acquisition.

Property, plant and equipment acquired for exhibition purposes are expensed in the current financial year since it is considered that no economic benefit will be derived post this financial year. Items purchased for exhibitions will be used only for that exhibition (usually lasting 3-6 months), due to the short timeframe of use, they will not be added to the Fixed Asset Register to be depreciated over an extended time frame.

Measurement of Property Plant and Equipment using Cost

Plant and equipment, furniture, fixtures and fittings and computer equipment are measured at cost. The carrying amount for such plant and equipment at cost is not materially different from their fair value.

Separately identified components of assets are measured on the same basis as the assets to which they relate.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 7: PROPERTY, PLANT & EQUIPMENT (continued)

Depreciation of Property, Plant and Equipment

Property, plant and equipment is depreciated on a straight-line basis so as to allocate the net cost or revalued amount of each asset, less its estimated residual value, progressively over its estimated useful life to the Consolidated Entity.

Key Estimate: For each class of depreciable asset the following depreciation rates are used:

Class	Useful lives
- Plant and equipment	1 to 10 years
- Furniture, fixtures and fittings	1 to 10 years
- Computer equipment	1 to 4 years

The Consolidated Entity's Artwork and Collectibles are not depreciated due to the heritage and cultural nature of the assets.

Impairment of Non-Current Assets

Key Judgment and Estimate: All non-current physical assets are assessed for indicators of impairment on an annual basis. If an indicator of possible impairment exists, the Consolidated Entity determines the asset's recoverable amount. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss.

The asset's recoverable amount is determined as the higher of the asset's fair value less costs of disposal and current replacement cost.

An impairment loss is recognised immediately in the Consolidated Statement of Comprehensive Income, unless the asset is carried at a revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised as income.

NOTE 7: PROPERTY, PLANT & EQUIPMENT (continued)

Revaluation of artwork and collectibles

The Consolidated Entity's artwork and collectibles are measured at fair value in accordance with AASB 116 *Property, Plant and Equipment* and AASB 13 *Fair Value Measurement*. These assets are reported at their revalued amounts, being the fair value at the date of valuation.

The costs of items acquired during the financial year has been judged by management of the Consolidated Entity to materially represent their fair value at the end of the reporting period.

The artwork and collectibles is revalued in accordance with the Consolidated Entity's revaluation policy which is approved by the Board. The revaluation process is managed by the Collections Manager and Head of Business Services and revaluations are approved by the Director. At least once every 5 years, a revaluation is conducted by an external valuer for artworks with higher individual values. The remaining items are significantly lower in individual values in comparison to the total value of the collection and are less likely to be subject to material movement in fair value; consequently, those works are generally held at cost (which approximates fair value) but are periodically reviewed for material movements by the Consolidated Entity's own expert curatorial staff.

Any revaluation increments arising on the revaluation of artwork and collectibles assets is credited to the asset revaluation surplus, except to the extent it reverses a revaluation decrement previously recognised as an expense. A decrease in the carrying amount on revaluation is charged as an expense, to the extent it exceeds the balance, if any, in the asset revaluation surplus.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly derived from observable inputs or estimated using another valuation technique.

In accordance with AASB 13 *Fair Value Measurement* are categorised on the following basis:

- Fair value based on quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1)
- Fair value based on inputs that are directly or indirectly observable for the asset or liability (Level 2)
- Fair value based on unobservable inputs for the asset and liability (Level 3)

There were no transfers between levels 1 and 2 during the year, nor between levels 2 and 3.

NOTE 7: PROPERTY, PLANT & EQUIPMENT (continued)

Revaluation of artwork and collectibles (continued)

The Consolidated Entity's policy is to recognise transfers in and out of their fair value hierarchy level as at the end of the reporting period.

Artwork and collectibles of the Consolidated Entity are classified as level 2 in the fair value hierarchy \$4,526,928 (2020 \$4,239,504).

Artwork and collectibles were comprehensively revalued to fair market value as at 30 June 2017. An independent valuation was performed by Ross Searle. The valuation was derived by reference to market based evidence including sales prices of comparable artworks and general art market conditions. In the intervening year, the Trust has conducted internal reviews of the collection, with any significant market changes in the collection being revalued accordingly.

NOTE 8: RIGHT-OF-USE ASSETS

Buildings

The Museum leased three buildings during the financial year which are used for offices and storage. One of these leases included Commercial Building, Rent of Queensland Theatre Company. The arrangement is a trial for 12 months (November 2020 to November 2021) for both parties to assess if the rent of space is workable, and therefore meets the definition of a short-term lease of 12 months or less and is exempt from AASB 16 *Leases* (AASB 16)

Plant & Equipment

The Museum leases a photocopier under a rental agreement.

Each lease is amortised on a straight line basis until the end of the lease term.

Right-of-use assets

Right-of-use assets are initially recognised at cost comprising the following:

- the amount of the initial measurement of the lease liability
- lease payments made at or before the commencement date, less any lease incentives received
- initial direct costs incurred, and
- the initial estimate of restoration costs

Right-of-use assets are subsequently depreciated over the lease term and be subject to impairment testing on an annual basis.

The carrying amount of right-of-use assets are adjusted for any remeasurement of the lease liability in the financial year following a change in discount rate, a reduction in lease payments payable, changes in variable lease payments that depend upon variable indexes/rates of a change in lease term.

Annual leave

Annual leave expected to be settled within twelve months of the reporting date are measured using remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the employee benefits liability.

Long Service leave

The provision for long service leave represents the present value of the estimated future cash outflows to be made in respect of services provided by employees up to the reporting date. The interest rates attaching to Commonwealth Government guaranteed securities at the reporting date are used to discount the estimated future cash outflows to their present value. The liability is recognised based on the likelihood of employees' reaching 10 years of continuous service.

The likelihood of this occurring has been based on the following probability percentages:

Years of service	%
0-1 years	0
1-3 years	5
4-5 years	50
6 years	60
7 years	70
8-9 years	100
10 years +	100

The estimates are calculated using current pay rates, adjusted for projected future increases in those rates and includes related employee on-costs.

Where employees have met the prerequisite length of service and the Consolidated Entity does not have an unconditional right to defer this liability beyond 12 months long service leave is classified as a current liability.

This amount was paid in advance during the year 30 June 2021. The 2020 financial year deferred sponsorship income was utilised in the 2021 financial year.

Grants received in advance refers to Visions of Australia funding for Museum of Brisbane Pattern and Print Easton Pearson Archive project; Arts Queensland, Queensland Arts Showcase Program (QASP) City in the Sun: Journey into Sub-Tropicana exhibition grant and a Brisbane City Council grant for an Accessible and Inclusive Project. The Visions for Australia contract relating to the grants was executed 29 November 2019. The entity will recognise the grant as income on execution of performing the touring of the Pattern and Print: Easton Pearson Archive Project. The activity for recognition of the income ends on 31 December 2022 per the agreement. The Arts Qld QASP contract relating to the grants was executed on 24 February 2021. The entity will recognise the grant as income on execution of performing the City in the Sun: Journey into Sub-Tropicana project. The activity for recognition of the income ends 1 February 2022 per the agreement. The entity will recognise the Access and Inclusion funding received from Brisbane City Council during the 2022 Financial Year.

Lease Liabilities

Lease liabilities are initially recognised at the present value of lease payments over the lease term that are not yet paid. The lease term includes any extension or renewal options that the Consolidated Entity is reasonably certain to exercise. The future lease payments included in the calculation of the lease liability comprise the following:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payments that depend on an index or rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Consolidated Entity under residual value guarantees
- the exercise price of a purchase option that the Consolidated Entity is reasonably certain to exercise
- payments for termination penalties, if the lease term reflects the early termination

When measuring the lease liability, the Consolidated Entity uses its incremental borrowing rate as the discount rate where the interest rate implicit in the lease cannot be readily determined, which is the case for all of the Consolidated Entity's leases. To determine the incremental borrowing rate, the Consolidated Entity uses loan rates provided by Queensland Treasury Corporation that correspond to the commencement date and term of the lease.

Subsequent to initial recognition, the lease liabilities are increased by the interest charge and reduced by the amount of lease payments. Lease liabilities are also remeasured in certain situations such as a change in variable lease payments that depend on an index or rate (e.g. a market rent review), or a change in the lease term:

Financial Instrument Categories

Recognition

Financial assets and financial liabilities are recognised in the Consolidated Statement of Financial Position when the Consolidated Entity becomes party to the contractual provisions of the financial instrument. There have been no changes in the types of transactions the Consolidated Entity enters into, and all of the Consolidated Entity's financial assets are expected to be measured at amortised cost. The Consolidated Entity has the following categories of financial assets and financial liabilities.

	2021	2020
Financial assets	\$	\$
Cash and cash equivalents	1,557,824	1,263,502
Trade receivables	59,560	297,109

Financial liabilities		
Payables	160,657	233,542
Total	<u>160,657</u>	<u>233,542</u>

Financial assets of the Consolidated Entity for the current financial year include cash and cash equivalents and receivables measured at amortised cost. As the Consolidated Entity's current receivables are short-term in nature, the carrying amount is expected to be a reasonable approximation of fair value.

Classification

Financial Instruments are classified and measured as follows:

- Cash and cash equivalents - at amortised cost
- Receivables - at amortised cost
- Payables - at amortised cost

The Consolidated Entity does not enter into transactions for speculative purposes, nor for hedging.

NOTE 14: FINANCIAL RISK DISCLOSURE (continued)

Financial Risk Management

Risk Exposure

Financial risk management is implemented pursuant to Company's policy. These policies focus on the unpredictability of financial markets and seek to minimise potential adverse effects on the financial performance of the controlled entities. The board of directors have overall responsibility for identifying and managing operational and financial risks.

The Consolidated Entity's activities expose it to a variety of financial risks as set out below:

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Consolidated Entity is exposed to interest rate risk through its cash deposited in interest bearing accounts. The Consolidated Entity does not undertake any hedging in relation to interest rate risk. The interest rate risk is not significant due to the low effective interest rate to which cash and cash equivalents are subject to.

(b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date of recognised financial assets is the carrying amount of those assets, net of any provisions for impairment of those assets, as disclosed in Consolidated Statement of Financial Position and notes to consolidated financial statements.

All receivables are considered current and receivable within 30 days. No receivables are considered impaired. The current credit risk in comparison to the credit risk that existed when the receivables were initially recognised has not changed, therefore it has been determined that there are no impairment losses to be recognised. There has been no substantial change in the nature of the Consolidated Entity's receivables, and they do not include a significant financing component.

The Consolidated Entity minimises concentrations of credit risk in relation to trade receivables by undertaking transactions with a large number of customers.

MUSEUM OF BRISBANE PTY LTD AND ITS CONTROLLED ENTITY

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 14: FINANCIAL RISK DISCLOSURE (continued)

(i) Cash deposits

Credit risk for cash deposits is managed by holding all cash deposits with major Australian banks and state-based financing authorities.

(ii) Trade and other receivables

Credit risk for trade receivable is managed by setting credit limits and completing credit checks for new customers. Outstanding receivables are regularly monitored for payment in accordance with credit terms.

(c) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Consolidated Entity manages liquidity risk by continuously monitoring cash flows and maturity profiles of financial assets and liabilities.

NOTE 15: CONTINGENCIES

The Directors are not aware of any contingent assets or liabilities as at 30 June 2021 (2020: \$nil)

1. The consolidated financial statements and notes, as set out on pages 2 - 40, are in accordance with the *Corporations Act 2001*; and
 - (g) comply with Australian Accounting Standards and the *Corporations Regulations 2001*; and
 - (h) give a true and fair view of the Consolidated Entity's financial position as at 30 June 2021 and of its performance for the year ended on that date.
2. In the directors' opinion, there are reasonable grounds to believe that the Consolidated Entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors:

Report on the audit of the financial report

Opinion

I have audited the accompanying financial report of the Museum of Brisbane Pty Ltd and its controlled entity (the Group).

In my opinion, the financial report:

- a) gives a true and fair view of the Group's financial position as at 30 June 2021, and its financial performance and cash flows for the year then ended
- b) complies with Australian Accounting Standards.

The financial report comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including summaries of significant accounting policies and other explanatory information, and the directors' declaration.

Basis for opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the Group in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*. I am also independent of the parent and group in accordance with the auditor independence requirements of the *Corporations Act 2001*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the company for the financial report

The company's directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, and for such internal control as the company's directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The company's directors are also responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Group.
- Conclude on the appropriateness of the Group's use of the Going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. I base my conclusions on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the company's directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
