OUR GOAL IS TO CREATE 5,000 NEW JOBS BY 2030

White Box Enterprises is a Brisbane-based organisation with a bold mission to create 5,000 new jobs by 2030. We're doing this by working with social enterprises, government, investors and philanthropists to build, replicate and support large-scale social enterprises, employing overlooked and underserved people.

CONNECTING KEY PLAYERS TO CREATE JOBS

We're aligning the goals of government, impact investors, and philanthropists to create new jobs-focused social enterprise hubs across Brisbane.

THE SPOTLIGHT IS ON BRISBANE

We're bringing new ideas and economic opportunities to Brisbane, like the Social Enterprise World Forum. With over 2,000 delegates in person and a further 10,000 joining virtually, all eyes will be on us in September.

What is the legacy we want to create to attract more social enterprises to our state?
