

QUESTIONS ON NOTICE – PROGRAM 2

1. Does Council have plans to upgrade the intersection of Ipswich Road, Venner Road and Waterton Street?

Council recognises that this intersection experiences congestion and has a crash history. Currently Council has undertaken planning and modelling and have worked through recommendations to progress for budget funding for design and construction.

Transport Planning and Operations branch are considering proposals for improved signage and road markings at this intersection.

2. Sliplanes

There is no specific sliplane program in the budget, however, individual slip lanes are funded through the Suburban Works Program.

Tabled and presented to Council at its <u>4684</u> Meeting held on: <u>22 / 06 / 2022</u>
Tabled by: <u>CR. WINES.</u>
