

Our Plan for Moorooka Ward

Cr Steve Griffiths

Councillor for Moorooka Ward

Dear Residents

Brisbane is the most beautiful city in the world and one that we all call home.

It has been my privilege to be able to represent you in City Hall and to continue to ensure that our communities are served well by Brisbane City Council.

From the delivery of basic services, to improving our parks, playgrounds and sporting facilities - like our pools; delivering infrastructure for more accessibility; hosting free events such as movies and festivals; making sure Council listens to our community about planning issues; building better roads and ensuring we are repairing our environment; I have always worked to achieve the best outcome for all of us.

I am passionate about what we have done to improve the local environment and I intend doing so much more in working in partnership with our community to make the area even greener.

I have loved establishing free koala walks in Toohey Forest and I believe there is so much more to be done. I want us to 'Rewild Moorooka Ward'; see back page for more details.

I believe that Brisbane City Council needs a change in Mayor and in the majority who are LNP Councillors. The LNP have been in for 20 years and I am seeing less services in the suburbs while the inner city continues to attract multi-million dollar projects; think the 200m Metro tunnel; the new Kangaroo Point pedestrian bridge; the Breakfast Creek pedestrian bridge; Kingsford Smith Drive or the multi-million new Victoria Park.

All these inner city projects mean less funding for local accessible footpaths, less road improvements, less drainage works, less tree maintenance. Less for our suburbs!

That is why I am backing Tracey Price for Mayor and support our Labor team. We need to put the focus back on our suburbs.

A key to representing you is to be available. I am constantly listening at our local community events, engaging in community meetings and available at my office. I work to resolve issues both within Council and with our State and Federal members.

I seek your support in being re-elected as your local Councillor for Moorooka Ward.

Regards

Labor

Tabled and presented to Council at its 4745 Meeting held on: 27/08/2024
Councillor Griffiths

- Adventure playground, Fernvale Road, Moorooka
- Playground for Bill Moore Park, Salisbury
- Gym equipment for Freney Street Park, Rocklea
- Playground for Gemstone Crescent Park, Acacia Ridge
- Basketball court for Weston Place Park, Oxley

REWILD Moorooka Ward

I meet people everywhere who are passionate about the environment. I believe Council has a pivotal role in bringing locals, groups, businesses and educational institutions together to deliver practical activities to improve our environment.

We have a real opportunity to link our creeks as corridors for wildlife movement between our large, rich areas of bushland such as Toohey Forest and Oxley Creek Catchment. It was great to hear that koalas are now moving along Rocky Waterholes Creek in Salisbury and that there is a healthy population of platypus in the creeks just beyond our Ward!

I have established a partnership with Griffith University Eco Centre to deliver free Koala Walks and believe we can do so much more to engage young people. Did you know our newly delivered Archerfield Wetlands is home to the largest diversity of bird species of any Australian capital city!

I am calling this our 'Rewilding of Moorooka Ward' which I would like to initiate next Council term.

Let me know your ideas. There is so much we can do!

VOTE 1 STEVE GRIFFITHS
