**Subject:** RE: Notification No. 12298248, Customer Ref ID. 19674900 – 28 Skew Street, Sherwood.

**Categories:** Saved in Act

Hi Tennyson Ward Office,

PSO Arb have confirmed that they will not be replanting until they receive a directive to do so.

I have been advised this was discussed during a meeting with your Ward on 3 October.

The jobs which require replacement plantings are being collated in a single work centre and will be dispatched once the directive is received.

Unfortunately, we cannot provide a planting commitment date at this stage.

Kind regards,
