

Transport Committee: Cr Collier updates

Active travel assets:

Red	Major impact/damage – not operational
Orange	Some minor impact/damage – some operational impacts
Green	No impact/damage – BAU operations

Current as of Tuesday 18 March

Asset	Assessment	Notes
Bikeways	Orange	<p>Kedron Brook is now open with the exception of a small section behind Stafford City that has sediment deposit. This is due to be cleaned on Thursday.</p> <p>The Jim Soorley bikeway has sustained minor damage on a small section close to the water edge. Engineers are on site and investigating and it remains open.</p> <p>Bicentennial, Enoggera Creek, Bulimba Creek, Ithaca Creek, City Reach, Kangaroo Point bikeways are all open.</p>
Active transport bridges	Green	All pedestrian bridges are in good condition and remain open.

*Story Bridge:*

Please note, the Story Bridge falls under Program 2. For more information, please contact the Infrastructure Chair.

**MEDIA STATEMENT: Brisbane Civic Cabinet Chair for Infrastructure Andrew Wines**

Engineers will continue to assess the Story Bridge footpaths for damage following Tropical Cyclone Alfred over the next few weeks.

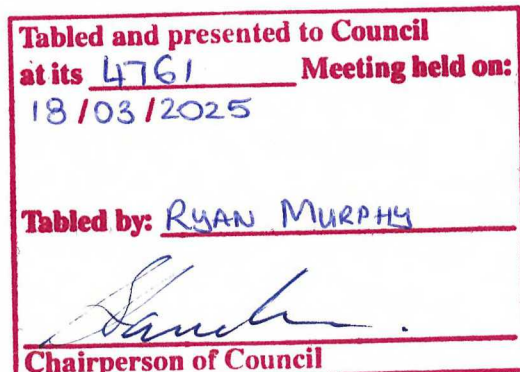

While we recognise this will inconvenience some people, safety must be the top priority.

**Background:**

We're continuing to progress a long-term restoration plan for the Story Bridge and will be working closely with all levels of government to ensure it can continue serving Brisbane residents for another 100 years.

*List of bus depot celebrations post TC Alfred:*

- Garden City – Tues 18 Mar, 10.30pm
- Virginia – Wed 19 Mar, 12.30pm
- Sherwood – Fri 21 Mar, 11am
