

# Wilston Village

## 1.0 Site Overview

The Wilston Village shopping centre is at the heart of the neighbourhood.

## 2.0 Extent

All streetscape improvement works occurring within the boundary shown must be in keeping with the character established under the Suburban Centre Improvement Projects (SCIPs) Program, as specified in this document. Areas outside the boundary may be developed in keeping with this character, at the discretion of the developer and subject to approval by Council.

## 3.0 Standard Footway Elements and Materials

Specific requirements for this location for surfacing, furniture colour, trees and garden beds are set out below.

All footway upgrades are to include new surfacing, new or reinstated kerb and channel, driveways, pedestrian kerb crossings, tactile markers, roofwater drainage line connections, service pit lids, street trees, garden beds, furniture and pedestrian lighting. The scope, layout and detail of the footway upgrade are to be agreed on a site-by-site basis through the development approval process.

Council requirements for footway upgrades – including standards, standard drawings and reference specifications are detailed in this manual. (Refer to Chapter 3 Streetscape Design, Section 3B Footway Elements and Materials.)

### 3.1 Footway surfacing
